

European Council
of
Civil Engineers

**Standing Committee on
Education & Training**

**Brief report
on the EUCEET Association Conference
“New trends and Challenges in Civil
Engineering Education”
(Patras, Greece, 24-25 November 2011)**

Prof. Iacint Manoliu

CONFERENCE PROGRAMME

Patras, Greece
24/25 November 2011

University of Patras,
Conference and Cultural Centre

First EUCEET Association Conference

New Trends and Challenges in Civil Engineering Education

Department of Civil Engineering
University of Patras, Greece

EUCEET Association

Relevant figures

- ❖ 51 participants from 17 countries representing 28 universities
- ❖ 5 invited lectures
- ❖ 30 papers presented in 6 sessions
 - Teaching & Learning
 - Civil Engineering Curricula: Old and New-A
 - Civil Engineering Curricula: Old and New-B
 - Bologna Implementation and Concerns
 - PhD Studies
 - Qualifications, Accreditation, Assessment
- ❖ Technical visit to Rion Bridge Assessment

Invited Lectures
